VERY SPECIAL ARTS FESTIVAL

The D.C. Dept. of Recreation, Program for the Mentally Retarded and Physically Handicapped, in cooperation with other agencies serving the mentally and/or physically handicapped will sponsor a "Very Special Arts Festival" on May 25 and 26 at Gallaudet. The purpose of the VSAF is to provide the handicapped population an opportunity to display their interest and abilities in the arts (music, dance, drama and visual arts), and to share this experience with the general public.

The VSAF is being held on May 25 & 26 to coincide with the D.C. Special Olympics. The D.C. Special Olympics, Inc., is working with the D.C. Department of Recreation in planning this worthwhile event. The VSAF will be an outdoor event utilizing the campus and athletic field. In case of rain the VSAF will be held in the Student Union Building. The various works of art will be on display from 10:00 a.m. to 8:00 p.m.

SPECIAL OLYMPICS

On May 27 and 28 the D.C. Special Olympics Annual Games will be held on the Gallaudet Campus. The Olympics are held for mentally retarded children and adolescents from D.C. and neighboring states. Several hundred participants will compete in various track and field events, gymnastic events and swim meets.

A torch lighting ceremony will officially open the Olympics on Friday evening, May 27. Students who would like to volunteer to help with this year's Olympics should contact Leon LeBuffe in the Center for Continuing Education.

SENIOR PHOTOGRAPHS

Last year, the Alumni and Public Relations Office made a concentrated effort to send each graduating senior, free of charge, a 5 x 7 picture of himself or herself as he or she received his or her degree. In addition, a duplicate picture with accompanying caption was sent to the student's hometown newspaper.

Once again the APR Office will provide this service. In order to insure that each person receives a photograph it is requested that you see remind senior students to see Mike Kaika in his office in College Hall, room B-19.

"JUST A SECRETARY??"

Attend the Office Techniques and Practice Workshop to be held during the week of June 13 and no longer be known as "just a secretary." The 24-hour course for beginning and experienced secretaries will introduce you to new office techniques, expand on and refresh the skills and knowledge you now have and give you an opportunity to share ideas and experiences with others in your profession.

For more information contact Consuelo Misa, Coordinator of Staff Development, Room 3B, College Hall.

OOPS!!!

In the last issue of OTG I listed Clarence Williams as having written a paper entitled, "Efforts toward the development of unbiased selection and assessment instruments." My apologies go to Larry Rudner, the true author of this paper. Larry will be traveling to the University of Leyden, The Netherlands, to present his paper to the Third International Symposium on Educational Testing. Much luck to you and I am truly sorry.

SUMMARIES OF RESEARCH CONFERENCE ON SPEECH-PROCESSING AIDS TO BE INTERPRETED FOR THE DEAF

Gallaudet College and the U.S. Office
of Education will be co-sponsoring a
Conference on Speech-Processing Aids at
MSSD on May 24-26. The meetings will
consist of technical papers and
discussions on methods and problems in
designing visual and tactile speech.
While interpreters will be provided for
all sessions of the Conference, it is
believed that many interested persons
would not be able to spend sufficient
time at the Conference itself, but would
appreciate having a short summary and
question period for each day. These will
be personally provided by the local
organizers, James Pickett, Orin Cornett,
and Clarence Williams, aided by interpreters
at 5:15 p.m. in room 154, HMB, on May 24,
25, and 26.

EASTERN DEAF YOUTH CONFERENCE

Maureen O'Grady, Lee Murray, Steve
Weiner, Claude Stout, Sy DuBow, Carolyn
McCaskill, and Deadra Blaylock will be
representing Gallaudet College at the
Eastern Deaf Youth Conference to be held
from May 12 - 15 in Martinsville, Indiana.

SECRETARY-INTERPRETER SEMINAR

The Secretary-Interpreter Seminar
scheduled for May 24th has room for six
more participants. If interested, contact
the Staff Development Office, Ext. 581
immediately!

FRANK TURK HONORED BY PA. SCHOOL FOR THE DEAF

Members of the Jr. NAD at the Pa. School
for the Deaf recently honored Frank Turk
by planting a tree in his honor. In their
dedication it was said that "the tree will
stand for our will to help the deaf in
America." Congratulations Mr. Turk!
